The following are 2' x 3' flags which were collected for the Youth Exchange Program. These flags are available from Bob Newton

Here is a list of flags I have:

Angola	Cape Verde	Japan	Peru	Switzerland
Argentina	Chili	Kenya	Philippines	Taiwan
Australia	Dominican Republic	Malawi	Poland	Uganda
Bangladesh	France	Mexico	Republic of Georgia	United Kingdom
Belgium	Germany	Moldova	Russia	United States
Bolivia	India	Nicaragua	Rwanda	Zianggang (Hong Kong)
Brazil	Iran	Nigeria	Saudi Arabia St Lucia	Zimpabwe
Bulgaria	Italy (on order 11-11-14)	Pakistan	Spain	

I also have 20 flag poles, most of which are usable as is with a few needing minor repair, and four floor stands that hold 5 flags each. These are/were hand made in somebody's garage, but they are sturdy and in good repair.

Thinking about this, I recall my experience a few years back looking for these flags, and in the process finding the storage unit rented by the District jammed floor to ceiling full of stuff. I had to rent another unit across the aisle just to move enough stuff to see what we actually had. I volunteered at the time to do some housekeeping, but Everett was our Historian/Archives person at the time and I think considered my offer as in infringement on his territory, so I went on to other things. Found the flags in Terry Ball's attic; have not revisited the housekeeping idea again, but perhaps it is time???
